

Empower parents to become active participants in their child's education at home and at school.

Sed de Saber Family Literacy Package

Empower Hispanic parents by teaching them English, literacy skills and parenting skills.

Core Materials *Each family receives the following:*

English for Everyone and Picture Dictionary

These fun and motivating books work with the Quantum LeapPad® to develop vocabulary and communicative phrases using real-life scenarios. Role play, read aloud and interactive games accompany the voice record and compare feature.

Family Workbook

Home activities for parents and children to **facilitate emergent literacy** skills and vocabulary development. A DVD is provided with instructions for non-readers.

Fridge Words

Child's educational tool that extends home literacy activities. Learn letter names and sounds to build over 325 three-letter words.

Home Edition

Includes Materials for 20 families

Guided Sessions led by Sed de Saber tutors. Twelve weekly group conference calls focus on parenting skills that build a learning environment in the home.

Bi-weekly, personalized tutor sessions to provide parents with English language practice and support with home activities in the Family Workbook.

Classroom Edition

Includes Materials for 20 families

A modular, fully scripted Facilitator Guide to aid the program leader during classroom instruction. Facilitator Guide includes: Guided Session Lesson Plans and handouts for 12 weeks of instruction. Language Development Tools including language and vocabulary practice activities and quizzes used to check for language learning.

A train-the-trainer session that prepares facilitators to deliver the program and helps them to understand the Sed de Saber instructional approach. Comes with one set of facilitator materials. Additional sets can be purchased.

Flexibility of 2 Versions

Home Edition

Designed for schools that do not have the ability or need to bring parents into a classroom setting to receive instruction. This edition is a stand-alone program.

Classroom Edition

Designed for schools that bring parents into a classroom setting to deliver instruction. This edition can be integrated into an existing program or delivered stand-alone.

Sed de Saber Family Literacy Program: Guided Session Overview

Weekly Guided Sessions are the program anchor. They focus on parent communication with their child and the school. Topics include:

- Week 1** Establish a Learning Environment at Home
Create an environment at home that encourages learning
- Week 2** Give Praise and Reinforcement
Learn how and when to encourage good behavior
- Week 3** Establish a Routine
Organize a daily schedule for your child
- Week 4** Establish Good Homework Habits
Help your child develop good homework habits
- Week 5** Family Time
Turn everyday family activities into opportunities for learning
- Week 6** Reading with your Child: Part I
Help your child learn to enjoy reading
- Week 7** Reading with your Child: Part II
Help your child improve his/her reading skills
- Week 8** Talking to Your Child's Teacher
Prepare for a meeting with your child's teacher
- Week 9** Understanding School Communication
Learn what to do with the communication you get from your child's school
- Week 10** School Resources
Take advantage of resources at your child's school
- Week 11** Standardized Tests
How to prepare child for standardized tests
- Week 12** Getting Involved
How to participate at your child's school

Home Edition: Guided Sessions are led by Sed de Saber tutors during twelve weekly group conference calls.

Classroom Edition: Guided Sessions are led by a facilitator chosen by the school. Sed de Saber trains the school's facilitator to conduct the twelve weekly sessions using a fully scripted Facilitator Manual.
